

## Libby Friends of the Library Report for Lincoln County Library Board Meeting

July 20, 2017

The Libby FOL have been involved in a number of activities over the past few months to support the mission and activities of the Libby Library.

- Since April, we have helped in the preparation of the monthly ornaments being made at the Library for the Capitol Christmas Tree project.
- In May, we sponsored a table at the Kiwanis Family Day in the park, where children and adults made fish ornaments for the tree and received information about the Summer Reading Program.
- June 7<sup>th</sup> we had a dedication celebration for the Mary Hebenstreit Memorial Garden. It was well attended by the community and I appreciate the support and attendance of members of this board who were able to attend.
- We have provided funding for programming and rewards for the Summer Reading Program.
- Lemonade on the Lawn had its kick off on July 12<sup>th</sup>, with a great attendance of about 40 people. The rest of the LOL schedule is:
  - July 26<sup>th</sup> - "Home, Home on the Ranch" with Bill Rosseter
  - Aug. 9<sup>th</sup> - Montana Trivia Game
  - Aug. 23<sup>rd</sup> - Montana city Old Town Players

Volunteers continue to provide other support for the staff – shelving, book wrapping, labeling, etc., and as Fall comes, we will be looking to increase volunteer time as folks are able to do so as vacations end and Fall routines begin.
